## TO THE DEMOCRATS OF THE NINTH CONGRESSIONAL DISTRICT.

Pursuant to a call of the Chairman your Executive Committee met at Catlettsburg Monday, April 4th, 1904, at 1 p. m., to fix the time, place and manner of nominating a candidate for Congress to be voted for at the November election, 1904. All the counties were represented.

On motion a resolution was adopted ordering a primary election for June 25th, 1904, between the hours of 6 a. m. and 4 p. m. for the purpose of selecting said nominee, the cost of said primary to be pro-rated among the different candidates.

But it was further ordered that if there be only one candidate on the 2nd day of May, 1904, who has notified the Chairman of this committee, in writing, of his candidacy, then the Chairman and Secretary of this committee are authorized and empowered to and they shall call off and revoke the order for said primary election. And if there is but one candidate at any time after that date and before the 10th day of May, 1904, they shall take the same action, and they shall declare said candidate the Democratic nominee for Congress, and shall duly certify his nomination to the Secretary of State and County Clerks of the district.

W. A. YOUNG,  
Chairman Democratic District Executive Committee, Postoffice, Morehead, Ky.  
C. BURGESS TAYLOR, Secretary, Maysville, Ky.

If the half is true published about the extortionate rates charged in St. Louis the people of the United States should remain away from the World's Fair and Congress should stop voting away the public money to further any more such schemes.

In Washington City the availability of nominating Marshall Field, the great Chicago merchant, as the Democratic candidate for the Vice-Presidency is being discussed. In this connection it is not inopportune to mention that the Democrats of Massachusetts have sent W. L. Douglass, the great shoe man, to St. Louis as one of their "Big Four."

HON. LESLIE T. APPLEGATE and Captain W. G. Dearing who left the Democratic party some years ago are receiving their reward at last. The former is the Republican nominee for Congress in the Covington district while the latter was selected this week as one of the delegates from this district to the national convention. This is rather hard on the life-long Republicans, but they will have to stand it.

ATTORNEY GENERAL KNOX, responding to a resolution of Congress, asking whether criminal prosecutions had been commenced against any of the parties back of the Northern Securities merger, says: "No criminal prosecutions have been instituted against the persons referred to in the resolution, and, further than this, I do not deem it compatible with the public interest to comply with the resolution."

Mr. Knox, of course, is the "whole show." Criminals, big ones especially, mustn't be prosecuted unless he says so.

It is not generally known that among the many excellent things done by Thos. Wood, Esq., during his term of office as City Attorney is the collection of all reports relating to municipal law suits that have been issued since he became the law officer of this city. It now makes a very complete library and probably there is no similar collection in any city of the same class in this State. During the same period the city has been involved in suits amounting to \$60,000. It must be put down, partly at least, to the credit of this admirable piece of work, that the city has won in 95 per cent. of her cases.

## A NOBLE BENEFACTION THE BASIS OF A CENTENARY MEMORIAL.

In the year 1892 the city acting through its Board of Education, and taking the Wormald-Greenwood bequests as a basis, established a free public library as a permanent centenary memorial of the birth of this Commonwealth. In the report of the Board of Education to the City Council they say they "had in view three distinct propositions:"

"First, A secure and economical disposition of the fund.

Second, A strict compliance with the spirit of the bequest.

Third, The advancement and expansion of the common school system in this city."

"It was an opportunity not to be neglected," said the committee, "to further the interests of the common school system and to supplement the means already provided for the education of the children of this city."

Our dead benefactors, Wormald and Greenwood, were sagacious and benevolent men. They were the Carnegies of their day and generation. It remains for us to do our part.

## OHIO RIVER AND COLUMBUS.

This New Railroad Expected to Prove a Very Profitable Enterprise From the Start—Aberdeen Extension.

The Washington C H (O) Herald, in speaking of the completion of the O. R. and C. to Sardinia, says: "The above item refers to the steam and electric railway which is being constructed between Ripley, Georgetown, Sardinia and Hillsboro, and projected northward (it is hoped) to this city, where a connection and traffic arrangements will be made with our four steam roads. Under the agreement entered into between Mr. L. E. Johnson, President of the Norfolk and Western, its tracks will be used between Sardinia and Hillsboro, where connection will be made with the Baltimore and Ohio S. W. It is the intention to complete the road between Ripley and Aberdeen, where connection will be made at Maysville with the Louisville and Nashville system for Paris, Knoxville, Atlanta and all points South. In the meantime consideration will be given to the route northward from Hillsboro so that a satisfactory junction can be made for inward and outward bound business. We have this information from Mr. Frank Johnson, of this city, who is representing the syndicate in a general way in this section, and who, in connection with Messrs. Galbreath, Wagenhals and Perkins, have the enterprise in charge. Mr. Johnson says that from his knowledge of the business to and from the Ohio River and Columbus Railroad, it will be a very profitable enterprise to secure the terminals of this city. There will be an enormous interchange of traffic between it and the roads that we have, and will make of our city an important gateway, not only to them, but to the citizens of our town and county as well."

Rev. Dr. McCready will speak to the boys at the Y. M. C. A. Sunday afternoon at 3 o'clock.

Miss Marian Wormald has announced to the Board of Education that she will not be a candidate for re-election.

John Kirman of Georgetown sold 350,000 pounds of tobacco at 16 1/2 cents—making a net profit of 10 cents a pound on the deal.

Our tuner will be in Maysville May 2nd and 3rd. Leave orders at John I. Winter & Co.'s store.

THE SMITH & NIXON PIANO CO.

Mr. Simeon Grant Walton, son of the late John M. Walton, of Germantown, and nephew of Mrs. Anna Threlkeld of this city, will graduate from the Ohio College of Dental Surgery, Cincinnati, next Thursday. Mr. Stanley M. Clark, son of Mrs. Wm. Clark, of East Fifth street, is also one of the graduates.

El Paso Gold Mine stock has advanced from 50 to 80 in last few months. It now pays monthly dividends at rate of 16 1/2 per cent. per annum on present valuation. This mine is pronounced one of the very best at Cripple Creek, and it is predicted its stock will go to 125 in a short time. If you are seeking a good investment, why not try El Paso? M. F. Marsh, agent, will send orders. Don't delay, it's advancing every day.

The Department of Physical Culture at Hayswood will give its annual exhibition at the opera house Friday evening, May 6th. The junior class, composed of twenty-two children, will present drill work in free gymnastics, Indian clubs, wands and dumb bells. The young ladies of the class will give more advanced work in clubs and dumb bells. The entertainment will close with a short play, "The Ladies Speak at Last."

The genius of Shakespeare is demonstrated by the adaptability of his characters to all times and ages. In the play which is to be given although several of the heroines are transported to a modern summer resort, with all of its environments, they are equally interesting and delightful. Music will be furnished by the Maysville Orchestra. Admission 25 cents. Seats may be reserved without extra charge.

## A GREAT TRUTH.

How it Has Spread From Home to Home in Maysville.

In every part of Maysville, in the homes of the wealthy, in the humble abode of the man of toil, 'tis now a well-known fact—a great truth—that Doan's Kidney Pills have brought more comfort to backache sufferers and cured more sick kidneys than any medicine of modern times.

Mrs. M. C. Chisholm of 343 East Second street says: "Mr. Chisholm speaks in high terms of Doan's Kidney Pills. He procured them at J. Jas. Wood & Son's drugstore, corner West Second and Market streets, and their use proved them to be an effective kidney remedy. I have heard others express their appreciation of Doan's Kidney Pills. A medicine which cures kidney trouble is a most desirable one of which to know."

For sale by all dealers; price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name DOAN'S and take no substitute.

## J. J. WOOD'S CONFIDENCE IN HYOMEI.

Not a Penny Need be Paid Unless it Cures You of Catarrh.

"Use Hyomei and be cured of Catarrh," says J. Jas. Wood & Son. When a responsible business house like this comes out and advertises that Hyomei will not cost a penny unless it does all that is claimed for it, it shows what remarkable confidence they have in this scientific medical treatment.

A complete Hyomei outfit consists of a neat inhaler, that can be carried in the pocket or purse, a medicine dropper and a bottle of Hyomei, and costs but \$1.

The inhaler lasts a lifetime and when extra bottles of Hyomei are needed, they can be obtained for 50c.

This treatment does away with all disagreeable and dangerous stomach dosing. Breathed through the Hyomei inhaler for a few minutes four times a day, it impregnates every particle of air taken into the air passages and lungs with germ-killing and health-giving balsams. In this way it cures the most chronic and deep-seated catarrhal diseases of the air passages and respiratory organs.

The user is the sole judge whether Hyomei is to be paid for or not. If it does not help, J. J. Wood & Son will cheerfully return the money and it will not cost a penny.

# Whiskey and Beer Habit

PERMANENTLY CURED BY

"ORRINE,"

A SAFE, SURE AND HARMLESS SPECIFIC

Physicians pronounce drunkenness a disease of the nervous system, creating a morbid craving for a stimulant. Continued indulgence in whiskey, beer or wine eats away the stomach lining and stupefies the digestive organs, thus destroying the digestion and ruining the health. No "will power" can heal the inflamed stomach membranes.

"ORRINE" permanently removes the craving for liquor by acting directly on the affected nerves, restoring the stomach and digestive organs to normal conditions, improving the appetite and restoring the health. No sanitarium treatment necessary; "ORRINE" can be taken at your own home without publicity. Can be given secretly if desired.

\* CURE GUARANTEED OR MONEY REFUNDED.

Mrs. E. Wycliff, New York City, writes: "ORRINE" cured my husband, who was a steady drunkard for many years. He now has no desire for stimulants, his health is good and he is fully restored to manhood. He used only five boxes of "ORRINE."

Mrs. W. L. D., Helena, Mont., writes: "I have waited one year before writing you of the permanent cure of my son. He took sanitarium treatment, as well as other advertised cures, but they all failed until we gave him "ORRINE." He is now fully restored to health and has no desire for drink."

Mr. A. E. L., Atlanta, Ga., writes: "I was born with a love of whiskey and drank it

for thirty-two years. It finally brought me to the gutter, homeless and friendless. I was powerless to resist the craving and would steal and lie to get whiskey. Four boxes of "ORRINE" cured me of all desire and I now have the smell of liquor."

Price \$1 per box. Mailed in plain, sealed wrapper by Orrine Company, 317 14th St., Washington, D. C. Interesting book—Treatise on Drunkenness, (sealed, free on request. Sold and recommended by

## DEERING MACHINERY and TWINE.

Read what a Mason County farmer says of his Deering Binder:

This is to certify that I bought a Deering Tongue Truck 8 ft. Binder in 1902, and wish to say that it is as far ahead of the old 6 and 7 ft. binders as day is brighter than night. In one day I cut 90 acres of heavy wheat, and without tiring my horses any more than cutting 15 acres with the old 6 ft. binder. It is perfectly free from neck weight or side draft and a pleasure to operate, elevating grain that the old small binders would choke on. Too much cannot be said in favor of this matchless labor saver. I can cheerfully recommend it to all my friends as the binder par excellence. Very truly,  
CHAS. T. MARSHALL.

"This is only a sample of what everybody says who has a Deering Ideal Binder."
